

How to know where our courses are located

- 1 [Navigate to our website](#)
- 2 Find your chosen course within our training portfolios
- 3 Once you've found your chosen course, scroll down to the upcoming courses section
- 4 Take a look at the location pin below the date & time

Mar 16, 2025

 1 week, 9:00 AM - 5:00 PM

 Wotton-Under-Edge

 £1,549.00 excl. VAT

Register

Location of the training course

Location options

Please note, only a carefully selected number of courses will be available at our our remote 'EWP' training sites, away from our South Gloucestershire training facility. This is due to the practical nature of a lot of our courses and ensuring our learners get the training they need without compromise.

We also offer training at your site with on-site training. This can be requested by contacting our training team. [You can get in touch with them here.](#)
